

June 14, 2021

Friends,

We are grateful that the number of SARS-CoV2 infections has dropped significantly in the State of Maryland. Because it is still possible to be infected with SARS-CoV2, **our leadership requests that anyone experiencing symptoms consistent with COVID-19 join activities (worship, Bible studies etc) remotely from home.**

The CDC advises, “People with these symptoms may have COVID-19:

- a. Fever or chills
- b. Cough
- c. Shortness of breath or difficulty breathing
- d. Fatigue
- e. Muscle or body aches
- f. Headache
- g. New loss of taste or smell
- h. Sore throat
- i. Congestion or runny nose
- j. Nausea or vomiting
- k. Diarrhea.”

With regard to masking, social distancing and other measures, we look to the Maryland Division of Health for guidance; we prayerfully invite attenders and members to do the same. As of June 12th, 2021, the Maryland Department of Health recommends “the use of face coverings for unvaccinated people in indoor public settings to the extent possible... [and] continued social distancing.”

Thank you for your efforts to keep our congregation healthy and vibrant – mind, body and spirit!

The Session of St. Andrew’s Presbyterian Church
